Thank you for purchasing a Satsuma Street Design!

The center of each chart is indicated above by two black arrows. Mark your fabric by running basting stitches down the center lines and work from the center of your fabric out to the edges. Always work all top stitches in the same direction.

Divide your 6 strand cotton floss and work with 2 strands at a time. Use a blunt tipped tapestry needle, I recommend size 24-26.

Back stitching directions:

- Statue of Liberty crown - 2 strands 959

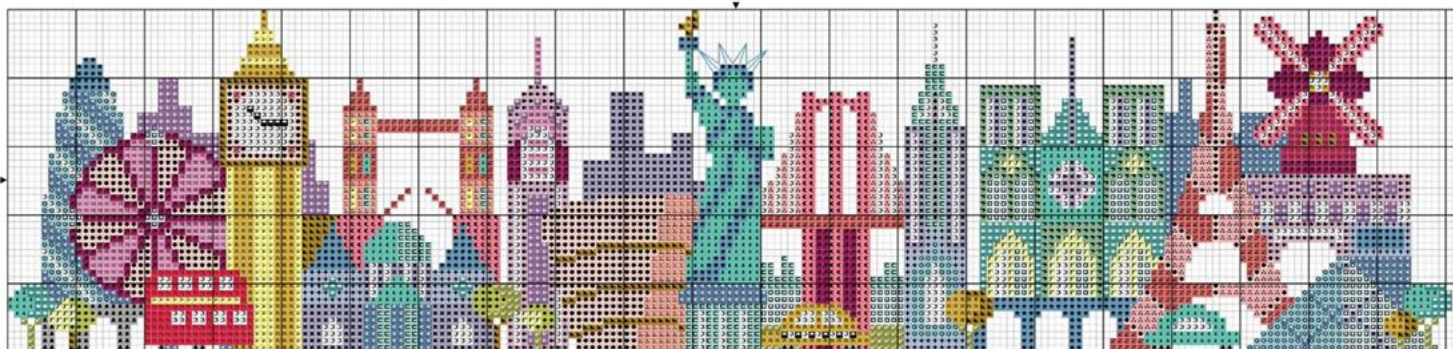

Each design is 74 stitches wide x 50 stitches tall. On 14 count fabric (or 28 count stitched over two) the finished size is 5" wide by 3.5" high.

The models are stitched on 14 count black Aida cloth.

A 15" x 18" piece of fabric is recommended for completing this project.
