## Santa's Midnight Flight

The model was stitched on 32ct Haunted from Picture This Plus with floss from A Gentle Art and Weeks Dye Works. We used Kreinik Blending Filament and beads from Mill Hill to embellish our design.

Do you remember waiting for Santa? We stayed up late as we dared and listened until the last sleepy eye fluttered shut only to spring back open! I heard bells..didn't you hear them? And hooves--didn't you hear them scratching on the roof? Didn't you see the soot all scuffed up in the chimney? I did. I knew, nobody had to say it, I just knew Santa had come.

Remember as you stitch that child and perhaps you will hear those bells jingling once again!

Happy Stitching!
