Darkwing Manor

The model was stitched on 32ct Dawn from Picture This Plus with floss from A Gentle Art, Weeks Dye Works and DMC. We also used beads from Mill Hill and buttons from Just Another Button Company.

There are bats in the belfry-and are there bats in the house too?! There all sorts of surprises in this fun piece. See the blue ghost peeping out at you, and the tiny monster in the window? These are just the start of all the many other surprises are waiting for those that dare to visit this house for tricks and treats this Halloween!

Happy Stitching!
