Seedy Pumpkin Cottage

We stitched the model on 32ct Echo linen from Picture This Plus with floss from A Gentle Art, Weeks Dye Works and DMC. We used buttons from Just another Button Company and beads from Mill Hill. We hope that you will enjoy seeing and stitching all the characters at the cottage.

The party at the spooky Seedy Pumpkin Cottage is just getting started! Look-do you see the ghosts appearing to dance? The cats are quietly slipping out to start the singing and even the bats are swooping low to see all of the shenanigans! It's the night of the Jack-O'-Lantern Moon and the mischief has begun! Did you see those scary pumpkins start glowing? It's time to celebrate!

Happy Stitching!
