## Introduction to the kit

Thank you for selecting this SANTORO®'s Gorjuss kit, developed under license by Bothy Threads. To get the best from your project, please take a few minutes to read through your instructions and familiarise yourself with the threads and symbols. There are also videos showing the techniques on our web site [www.bothythreads.com](http://www.bothythreads.com). Are you sitting comfortably with a good light?

The design is worked on 16 HPI printed Zweigart Aida. For clarity, the stitch diagram is bigger than the finished picture!
