## Make a... cushion

### Step 1

**COMPLETE** the stitching, then cut the fabric, leaving 4cm (1½in) around the design. Cut your backing fabric to the same size.

### Step 2

**PLACE** the cushion front right-sides together with the backing fabric. Pin, then machine stitch around the edge with a 1.25cm (½in) seam allowance, and leaving a gap for turning.

### Step 3

**TURN** to the right side, insert the toy stuffing, and sew up the gap with small, neat stitches.

Keep your hands free of grease and wash them before each stitching session as the main part of the screen is created using just the plain grey aida fabric
