The grid represents a sequence of operations or states. The symbols are distributed across the grid in a pattern that suggests a repeating sequence. The 'T' symbols are the most frequent, appearing in various colors (black, light blue, pink). Diagonal slashes are also present in many cells. 'X' symbols and black dots are less common but appear in specific patterns, such as a diagonal band of 'X's and dots running from the bottom-left towards the center.

Pattern Name: Riolis 370
Company: Перенабирала AnnV
Fabric: Aida 11, White
Size: 130w X 130h Stitches
 11 Count, 30.02w X 30.02h cm
