

A large grid of letters and symbols, likely a crossword puzzle or a word search. The grid is organized into columns labeled 80 through 120 at the top, and rows labeled 10, 20, 30, 40, 50, and 60 on the left. The letters are represented by various symbols, including black squares, white squares, and colored squares (brown, orange, red, green, blue). Some letters are also marked with a small arrow pointing upwards. The grid is filled with a variety of characters, including 'J', 'K', 'H', 'D', 'B', 'A', 'C', 'E', 'G', 'I', 'L', 'M', 'N', 'P', 'R', 'S', 'T', 'U', 'V', 'W', 'X', 'Y', 'Z', and some special characters like '&'. The overall pattern is a complex mix of these symbols, forming a large-scale word search or crossword grid.

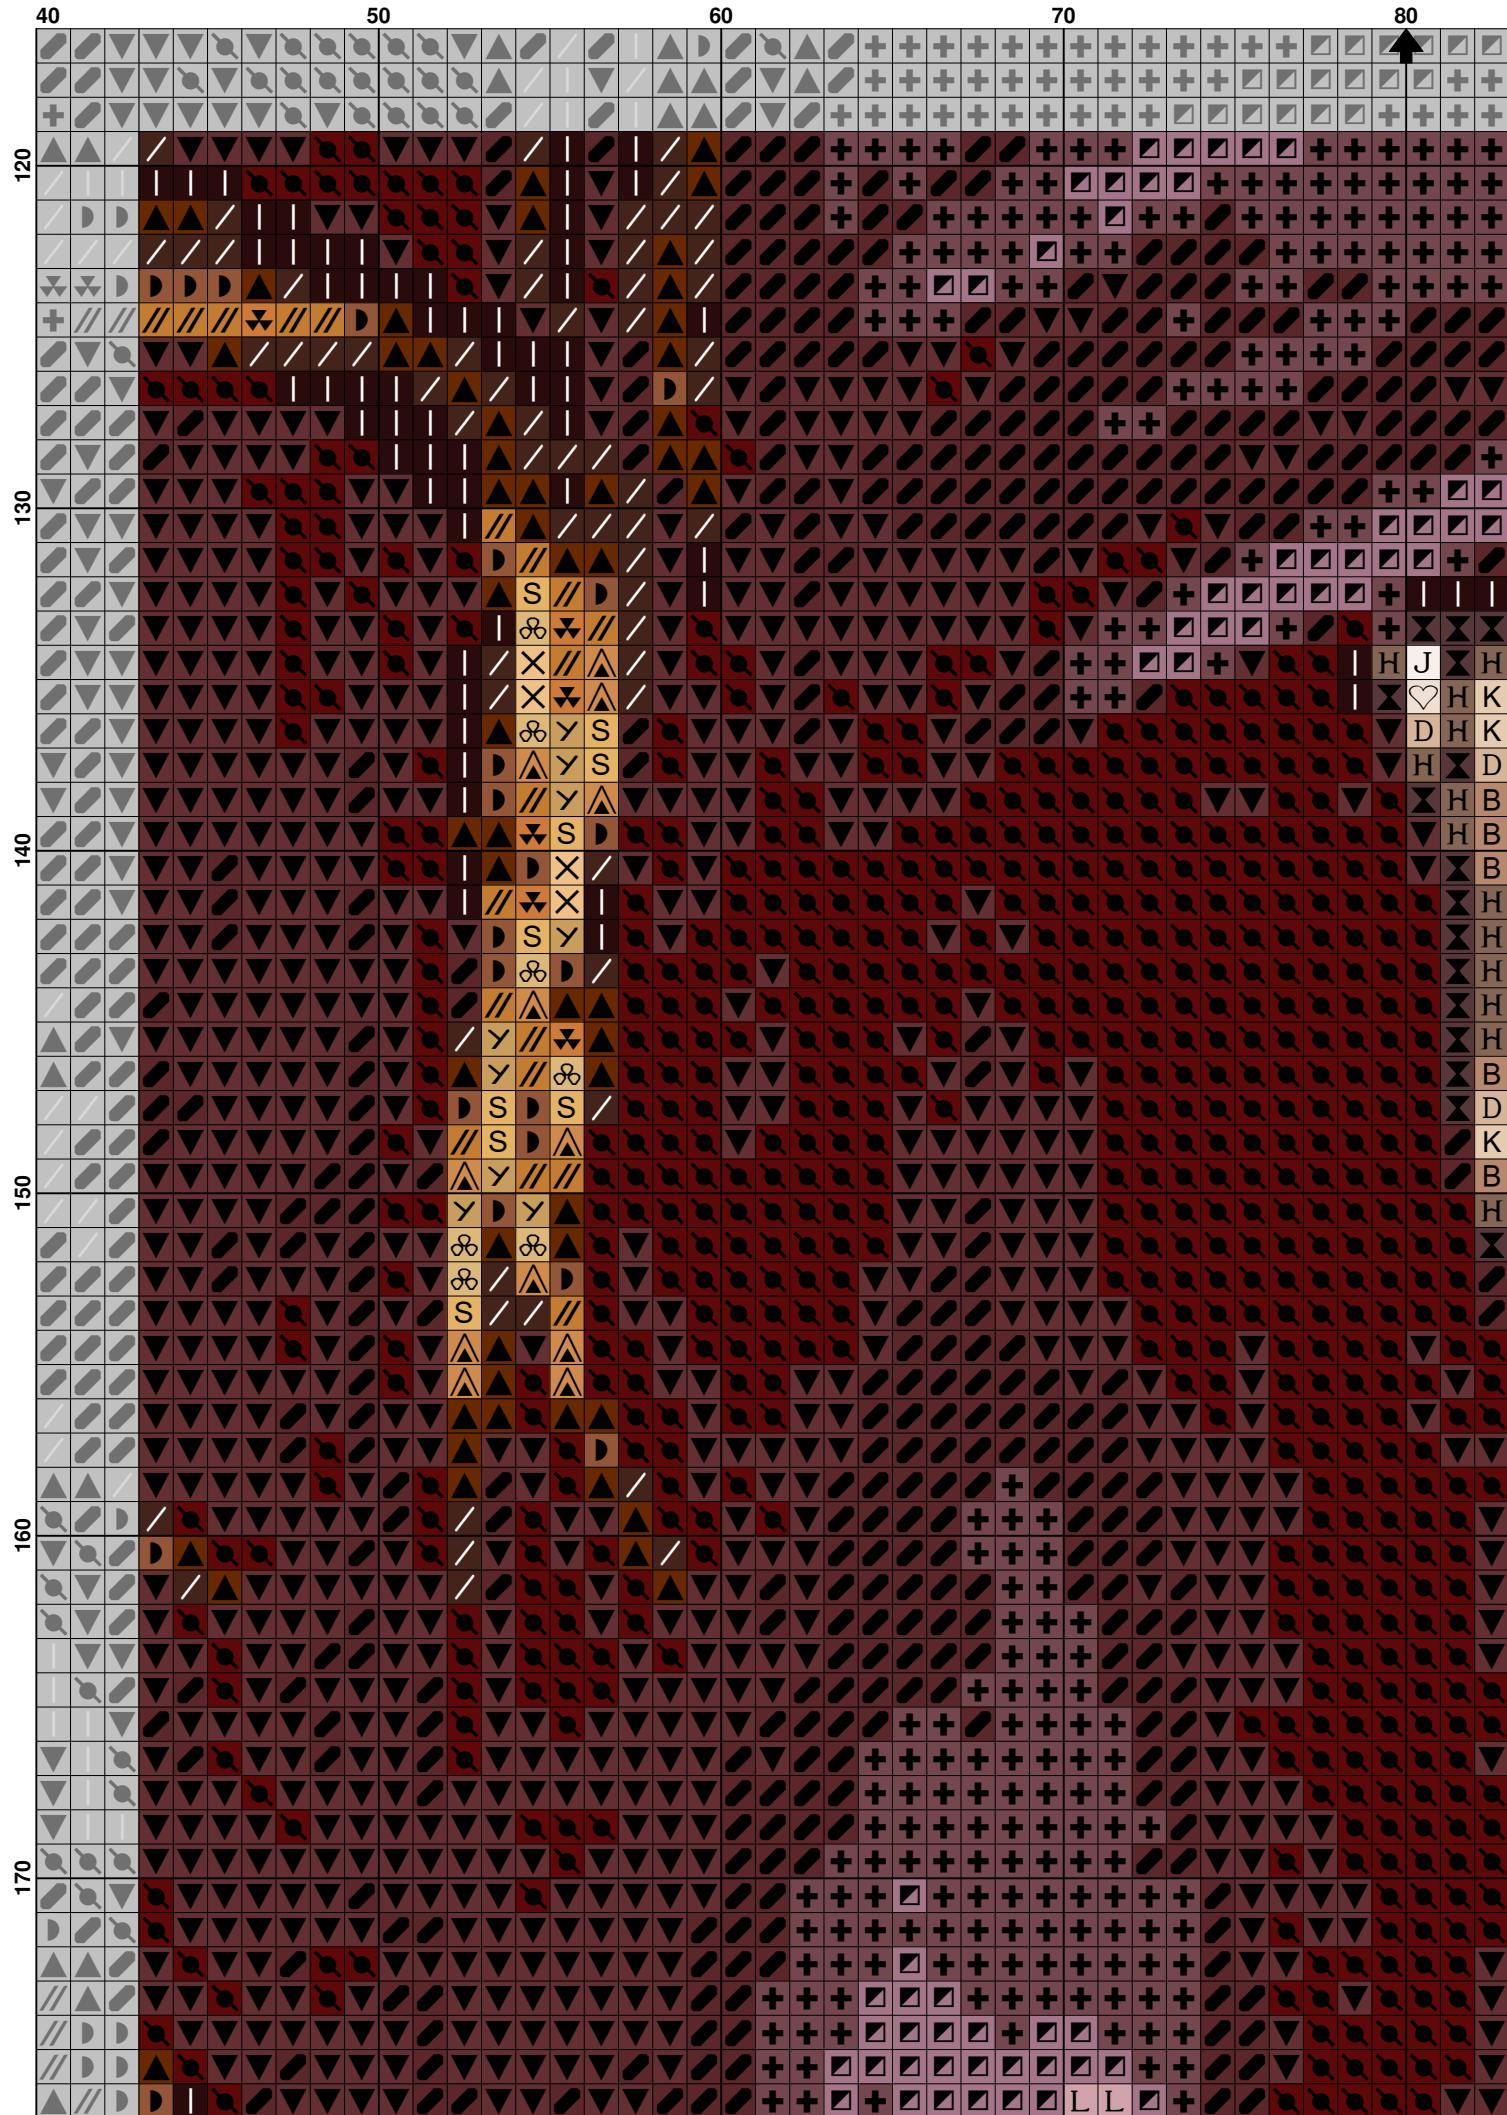

The image shows a 60x160 grid of symbols, likely representing a crossword puzzle. The symbols include letters (A-Z), numbers (0-9), and various punctuation marks and symbols. The grid is organized into several horizontal rows, each starting with a row number on the left. The first few rows are labeled 10, 20, 30, 40, and 50. The columns are labeled at the top with numbers 120, 130, 140, 150, and 160. The symbols are arranged in a pattern that suggests a crossword structure, with some letters appearing multiple times and others appearing once. The colors of the symbols vary, with some being black, white, or brown.

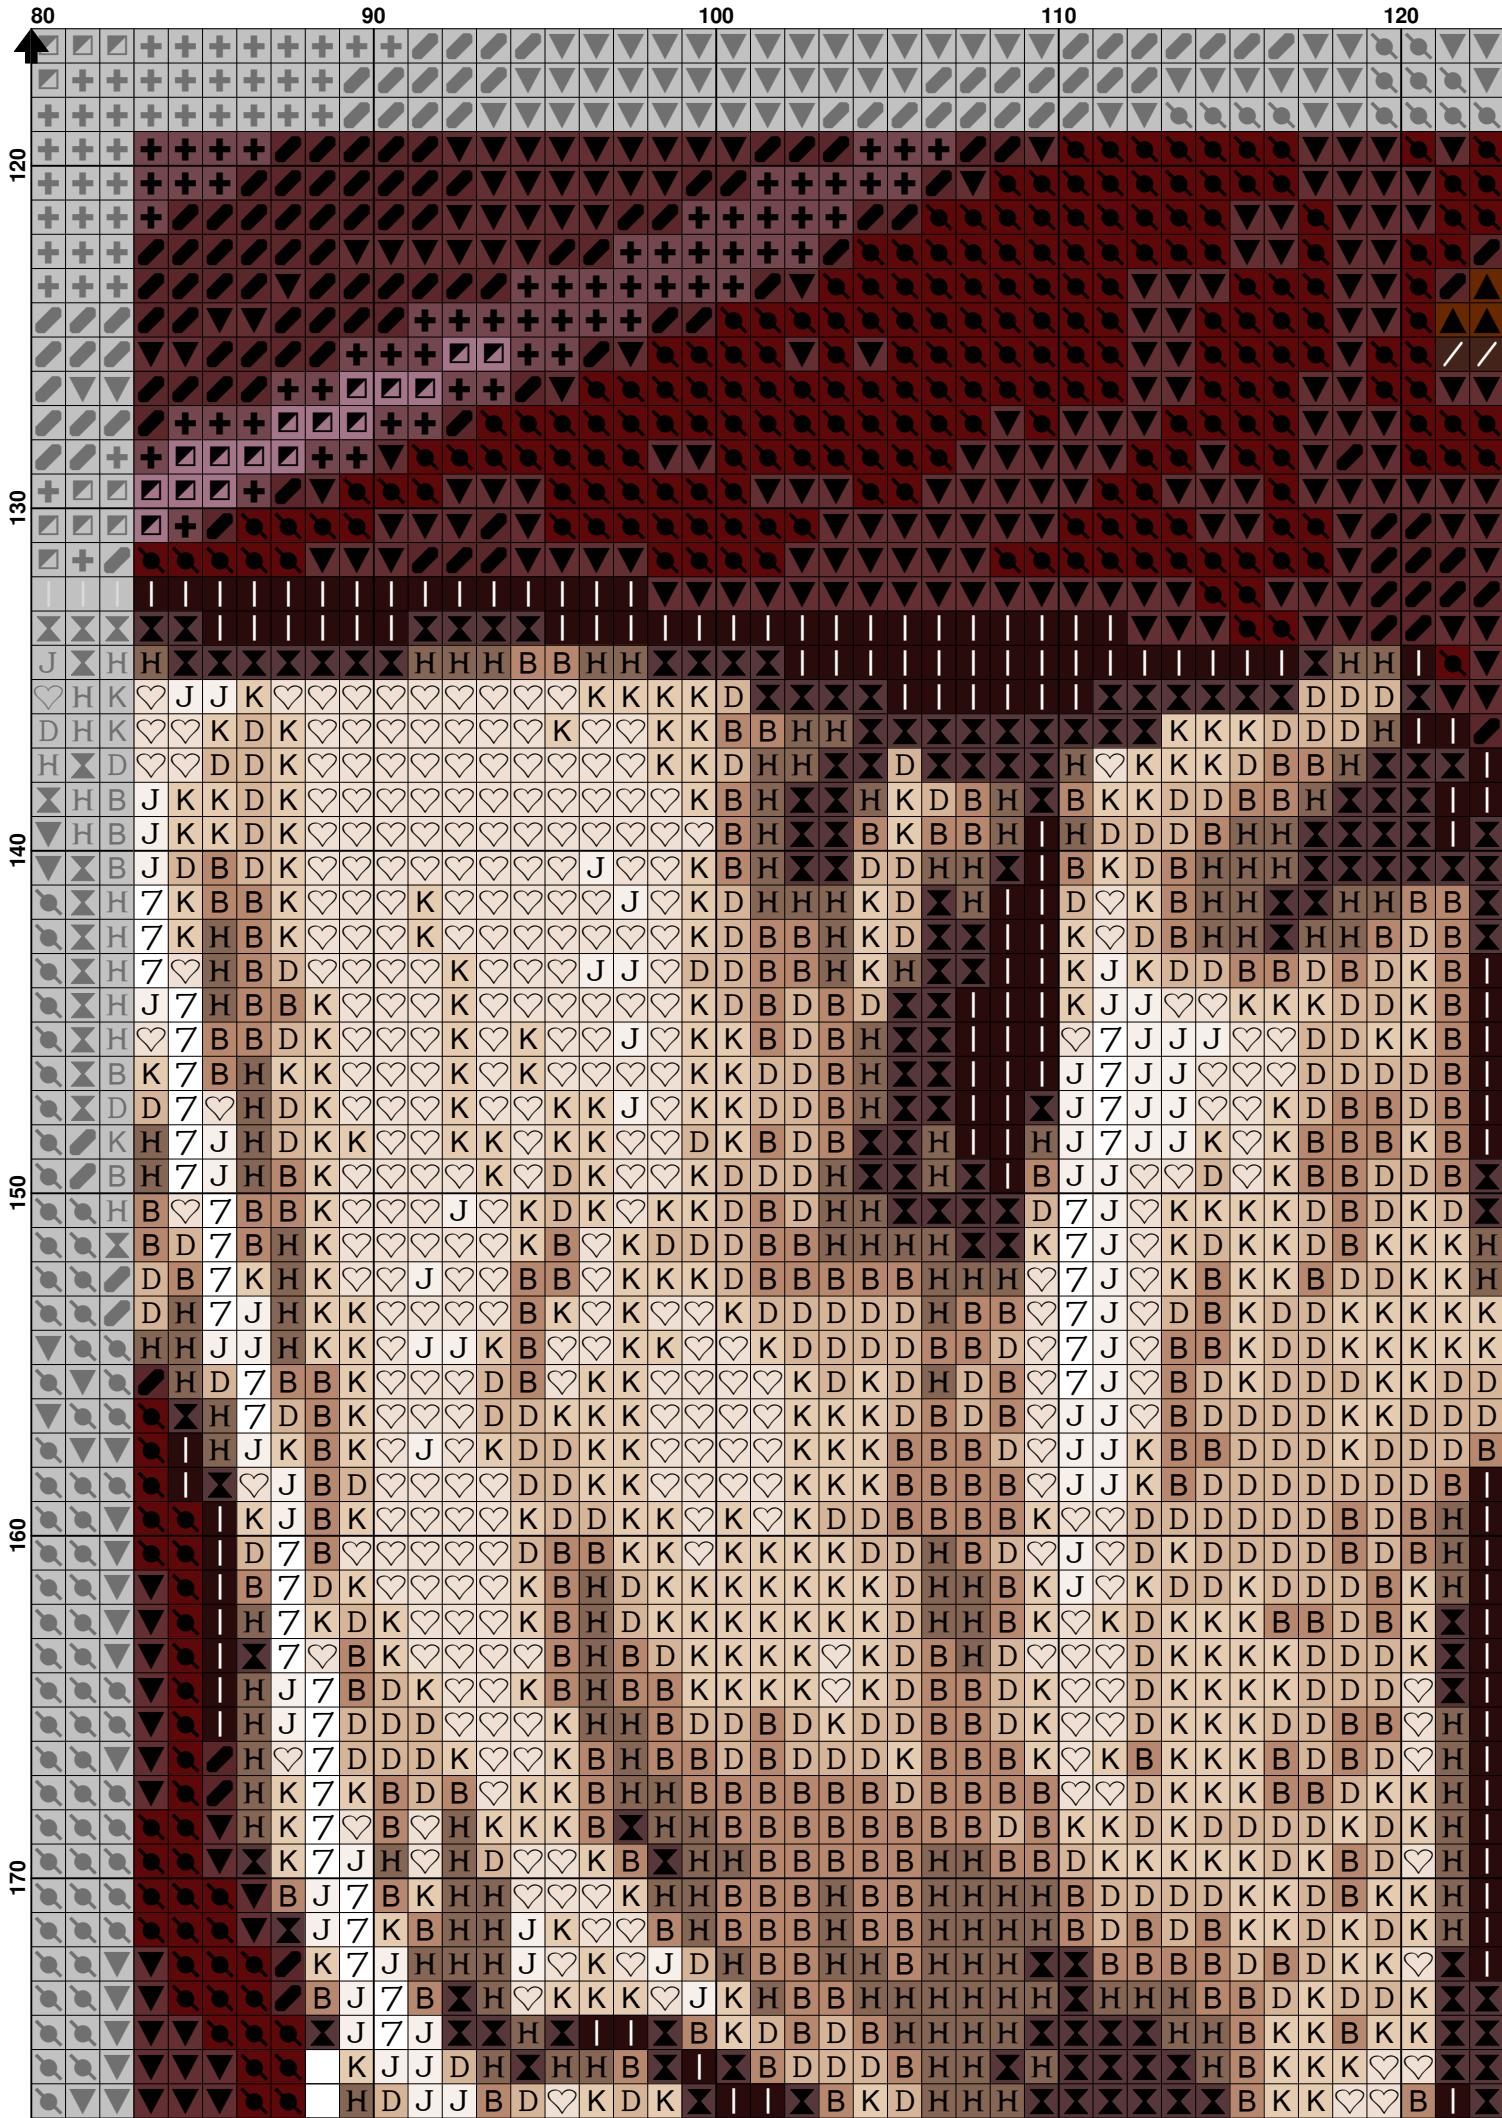

The image shows a 60x60 grid of symbols, likely representing a digital pattern or a specific algorithm. The symbols are arranged in a grid where each cell contains a unique character combination. The grid is bounded by thick black lines. The symbols include various letters (T, Y, S, D, X, V, A, etc.), numbers (10, 20, 30, 40, 60, 70, 80, 90, 100, 110), and mathematical operators like //, /, and \. There are also some graphical elements like triangles and circles. The overall pattern is highly repetitive and structured.

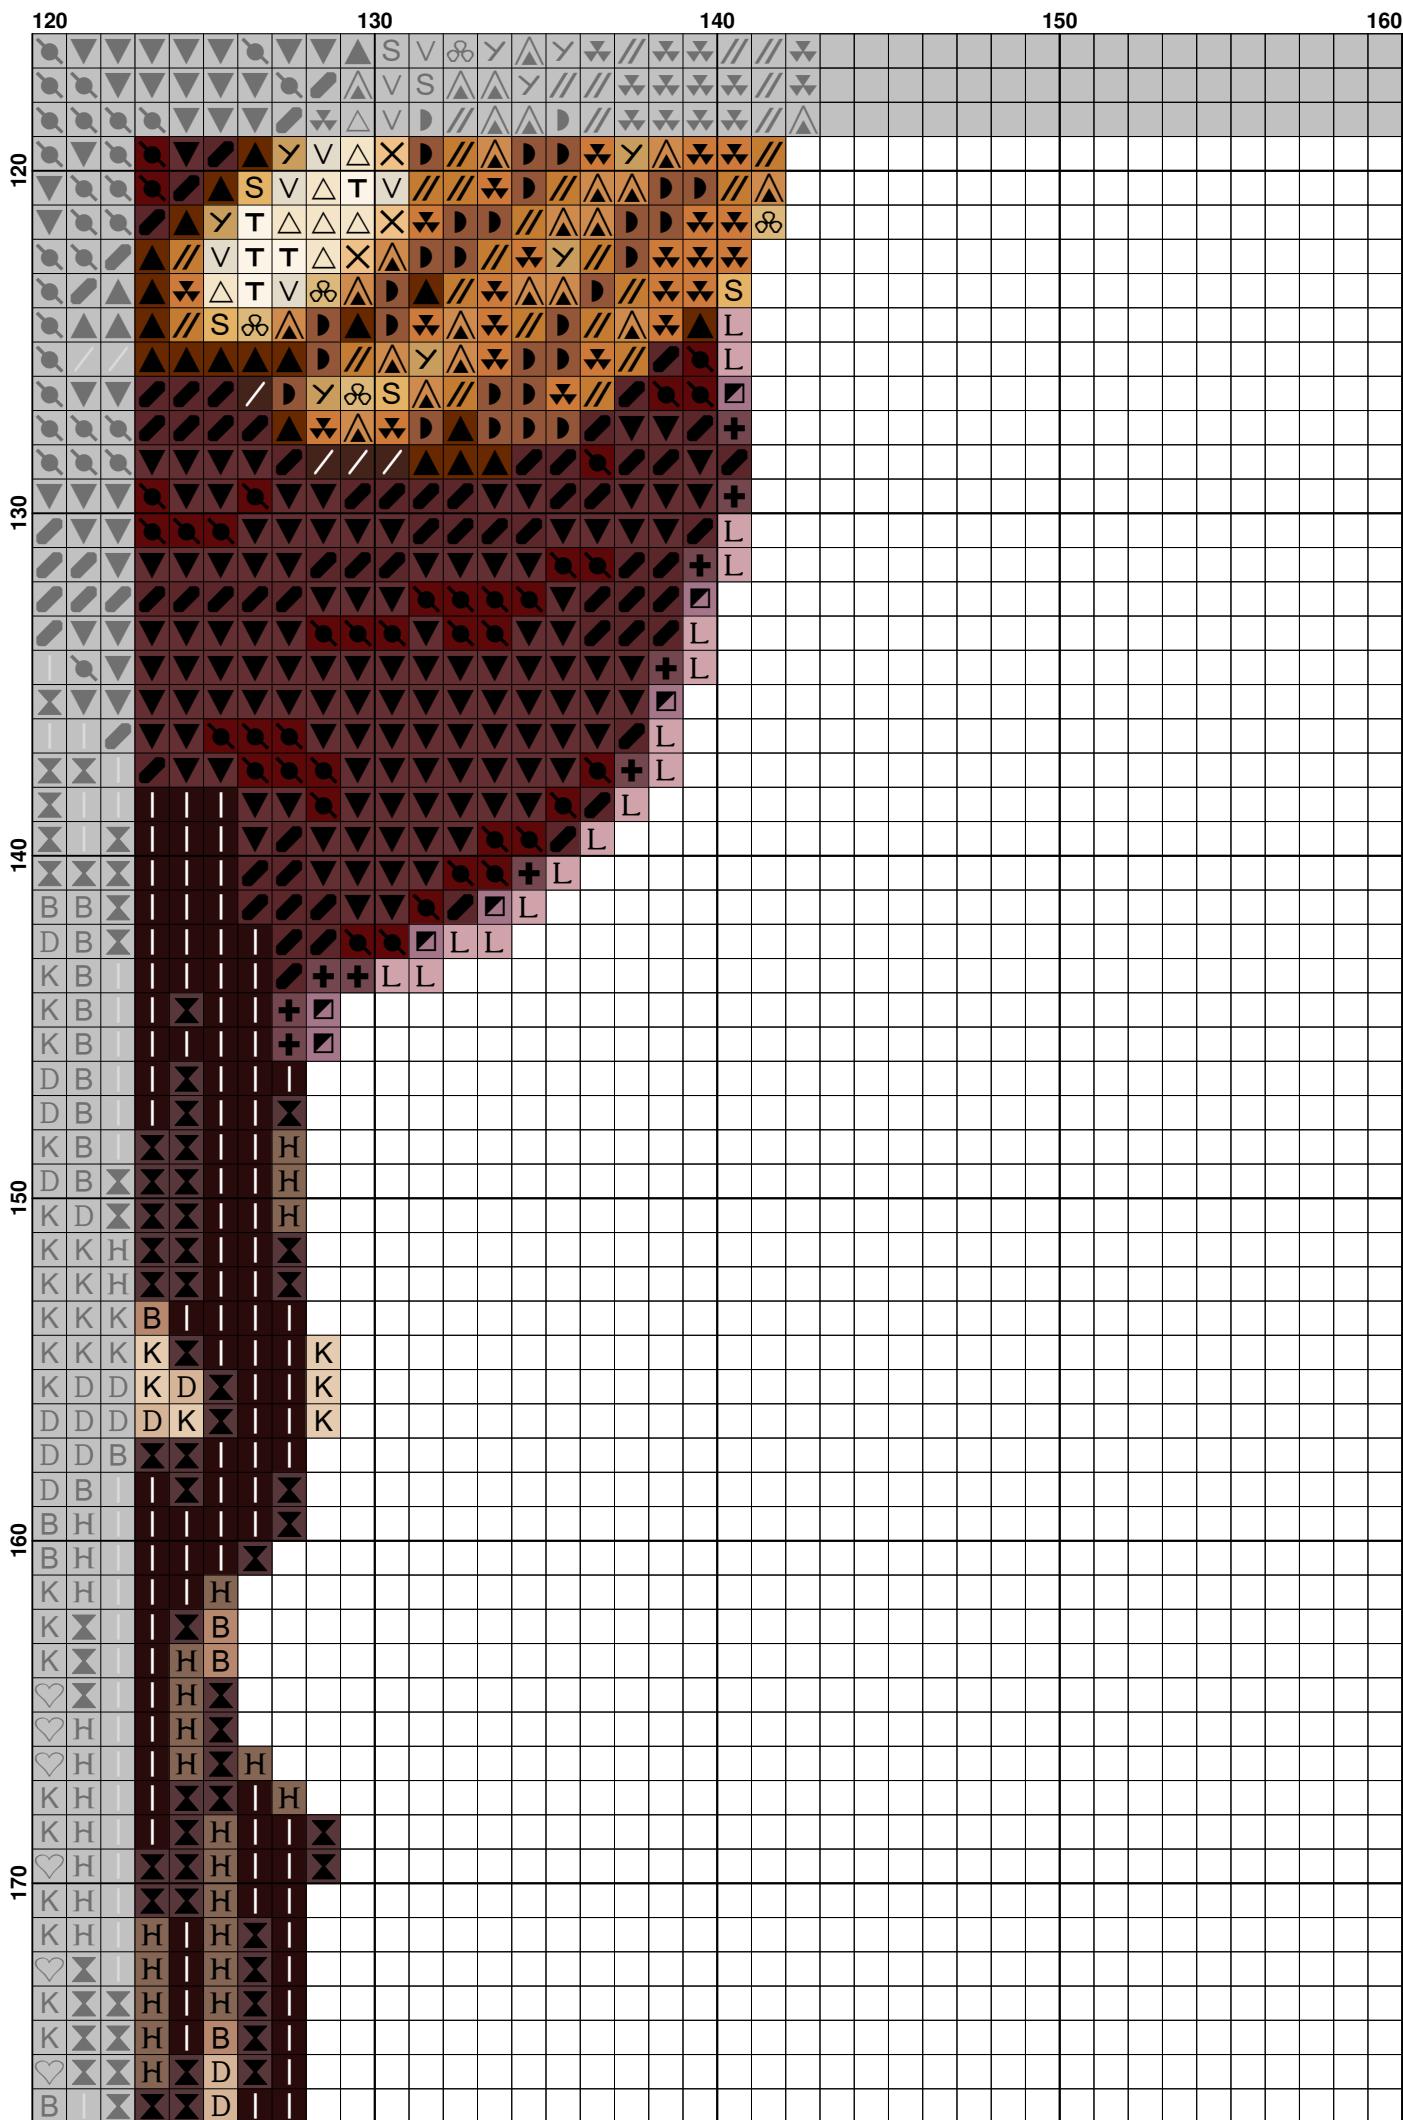

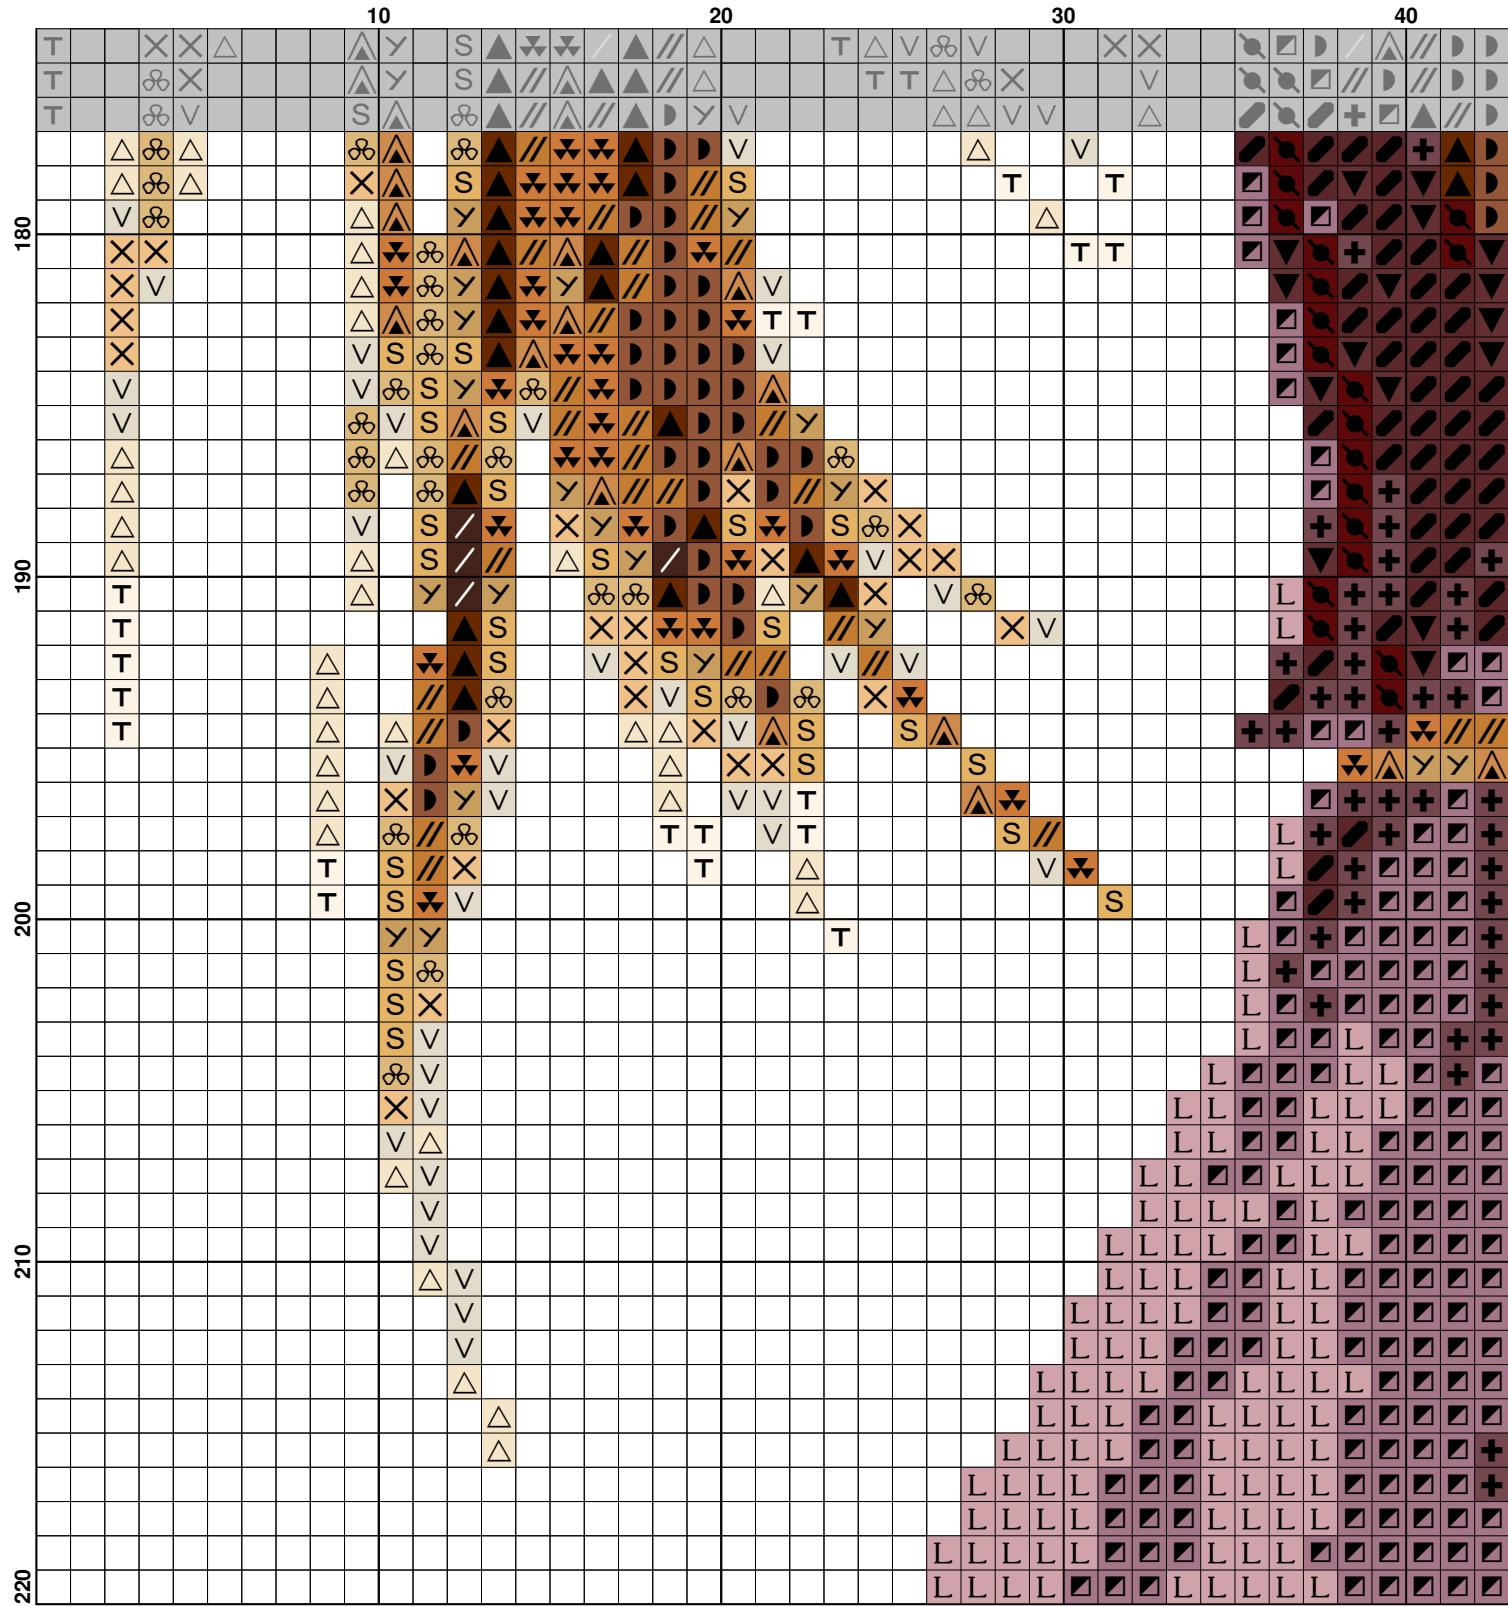

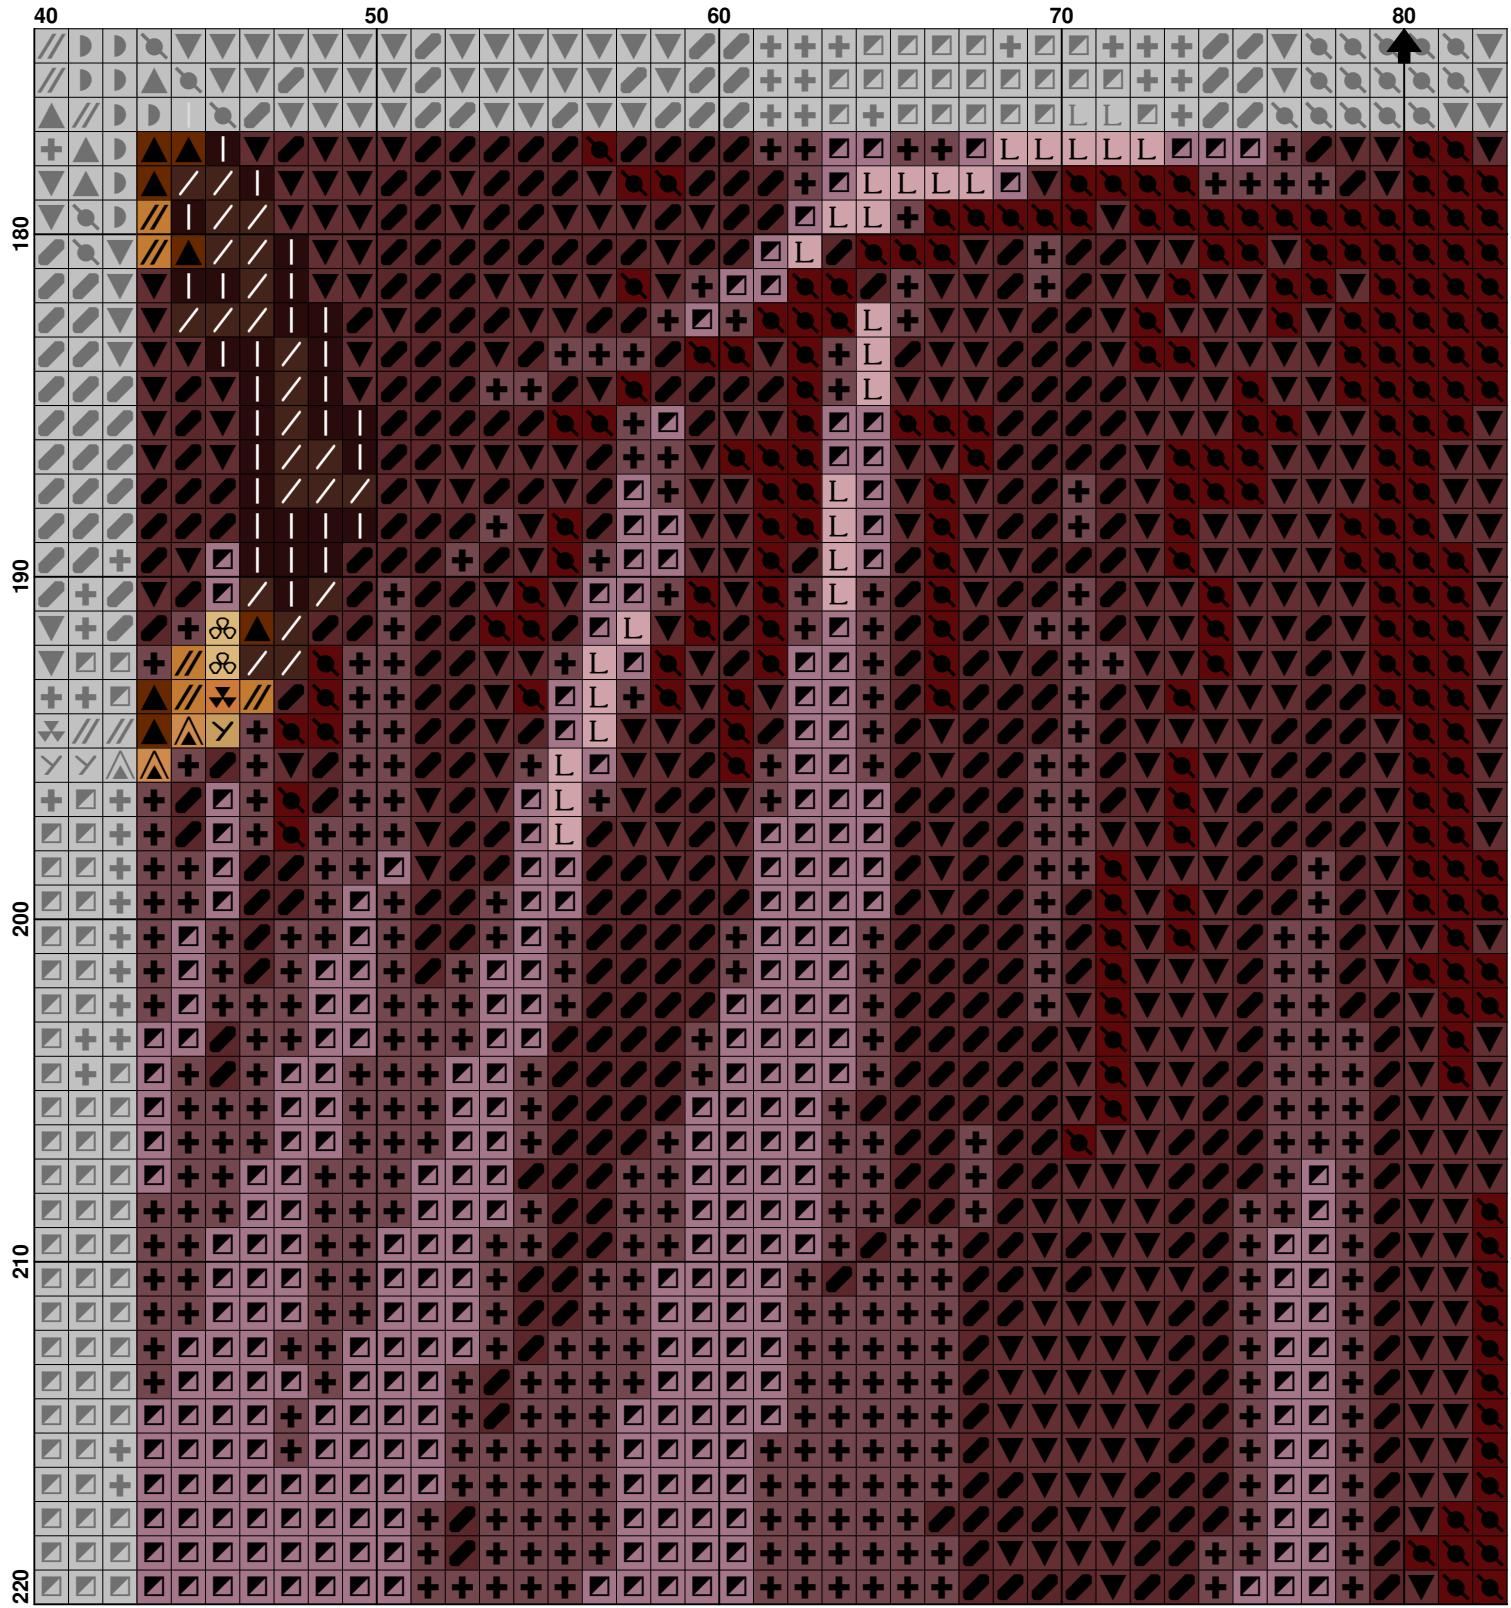

The image displays a 64x64 pixel grid filled with a variety of symbols. These symbols include triangles (pointing up, down, left, right), circles, squares, and other abstract shapes, all rendered in different shades of brown, tan, and black. The symbols are arranged in a repeating pattern that suggests a tessellation or a decorative tile design. The grid is divided into four vertical sections by dashed white lines, labeled '10' (leftmost), '20' (second from left), '30' (second from right), and '40' (rightmost) at the top edge. Similarly, it is divided into four horizontal sections by dashed white lines, labeled '120' (topmost), '130' (second from top), '140' (third from top), '150' (fourth from top), '160' (fifth from top), and '170' (bottommost) along the left edge. The symbols are placed in a staggered, non-overlapping manner, creating a clear visual distinction between the different sections.
