The figure displays a large grid of 180 rows and 160 columns, organized into 12 groups of 15 rows each, labeled 120 to 180 on the left. The grid contains various patterns of colored squares (black, white, gray, red, blue, yellow, green) and symbols (hash, plus, minus, asterisk, etc.) arranged in a complex, repeating structure. The patterns are organized into vertical bands and horizontal sequences, with some rows showing more complex, multi-colored patterns than others. The overall layout is highly structured and repetitive, suggesting a systematic generation of the data.
