This figure displays a massive dataset of poker hand histories as a grid of playing card symbols. The grid spans 330 rows (labeled 180 to 330 on the left) and 240 columns (labeled 180 to 240 at the top). Each cell contains a single playing card character, such as 'A' for Ace or 'K' for King, indicating the rank and suit of a card in a specific position within a hand. The symbols are color-coded by suit: Spades (black), Hearts (red), Clubs (green), and Diamonds (yellow).
